

Code of Ethics

Byco is engaged in the manufacturing of a wide range of petroleum products. We aim to achieve sustainable productivity and profitability, while maintaining the highest standards of care for the environment, health and safety. This practically means enacting policies that assure ongoing human resource development, enhancement of value addition, implementation of conservation measures, growth up-gradation and the addition of newer generation technologies. Our Company believes in the application of business ethics as have been embodied in this document.

1. The credibility, goodwill and repute earned is maintained through continued conviction in our corporate values of honesty, integrity, justice and respect for people. Our Company promotes openness, professionalism, teamwork and trust in all its business activities.
2. Safeguarding Shareholders' interest and a worthwhile return on equity is an integral part of our business ethics.
3. We believe in servicing customers by providing products which are manufactured and priced competitively, and which are also meeting or exceeding the environmental standards of the country.
4. We are an equal opportunity employer and proactively invest in our human capital, offering competitive employment terms and providing a safe and congenial working environment to all our employees.
5. We believe that profit is the real yardstick to measure our value addition to the economy and is essential for business survival as it measures efficiency and the value that the customer places on products and services produced by a Company.
6. In view of the critical importance of our business and its impact on the national economy, our Company provides all relevant information concerning its activities in a transparently to all stakeholders, subject to any overriding confidentiality.
