

Environment Health Safety and Security (EHSS) Policy

Byco is committed to delivering a sustainable world class performance through prevention of injury & ill-health, preservation of environment and safeguarding health, safety & welfare of those who work at or visit our sites in a manner that is compliant with local laws, customs and culture.

We derive strength from our core values of fairness and honesty, integrity, respect, teamwork, trust and transparency, passion for excellence and tenacity in achieving results. As a corporate entity, we care about people and the world in which we live in.

We have deployed best leadership and management structure to deliver this policy and provide an unbroken chain of responsibility & accountability for EHSS.

EHSS GUIDING PRINCIPLE

- Identify and eliminate or otherwise control, EHSS risks to our people, our communities and the environment in which we operate.
- Use EHSS risk framework to develop and deliver measurable EHSS objectives and targets.
- Ensure employees are equipped and trained to achieve our goal of zero incidents, injuries and illnesses.
- Encourage employees to adopt a healthy, safe and environmentally conscious lifestyle both at work and home.
- Continuously seek to reduce environmental impact of our business operations by:
 - Improving energy efficiency and natural resource consumption
 - Reusing and recycling materials to minimize waste and pollution
 - Endeavor to protect and restore bio-diversity
 - Undertaking specific programs to reduce greenhouse gas emissions from our business
- Generate sustainable EHSS performance through long term, mutually beneficial relationships with our communities, governments, our business partners and other stakeholders.

COMMITMENT TO EHSS POLICY

- Management Team is accountable for delivery of EHSS improvements and providing necessary resources to do so.
- All related to our business must understand their responsibilities towards EHSS and demonstrate their commitment through actions towards achieving our goal of zero incidents.
- Complying with all applicable laws, EHSS standards and other voluntary requirements.
- Developing, implementing and maintaining recognized management systems and programs that ensure appropriate and consistent implementation of this EHSS policy.
- Obtaining assurance of our EHSS policy and management systems through regular audits and reviews of our performance.
- Promoting effective employee, contractor and stakeholder participation in and awareness of EHSS issues and programs related to our operations through training, communication and regular public reporting of performance.
